Hi,

Not sure if DWP is still interested in contracting for BID security, but below what it would cost to extend BID security to the area we discussed north of Burbank.

There would not be a dedicated BID ambassador in that area, but we'd include the area on our daily bike patrol routes. BID safety hours are Sunday-Monday 12pm-10pm, Tuesday-Saturday 12pm-12am. We also have a hotline number that businesses can call during those hours.

Annual Cost- \$34,155

Monthly Cost- \$2,846.25

Any questions, let me know.

Thanks,

Aaron
